Piano Lessons : Summer 2024

Schedule:

The summer semester starts June 1st and goes through August 31st. Concerts will depend on the pandemic and will be scheduled accordingly.

Rates:

30 minute lessons : \$140/month.

45 minute lessons : \$190/month

The same rate applies to every month regardless of how many lessons there are per month. This includes months with vacation, 4 lesson months, and 5 lesson months. Payment for each month is due by the first lesson of that month. Every week that is missed after will be charged an extra \$5 per lesson.

Vacation/Holidays:

July 4th

If you're lesson lands on a Holiday, we can reschedule without using your makeup days.

Make-up Lessons:

I allow 1 make-up lesson a quarter. However, please let me know 24 hours in advance if you cannot make your lesson. Otherwise you will be charged for the lesson and not given a make-up lesson. Emergencies do not fall under this category.
